

Diabetes and Endocrinology Taster Evening

Thursday 15th November 2012, 6pm onwards
The Thackray Museum, Leeds

What is it?

An opportunity to gain an overview on specialist training in Diabetes and Endocrinology. A series of talks delivered by consultants and trainees from the region, topics covered include:

- Endocrinology and diabetes in the outpatient setting
- Endocrine emergencies and inpatient diabetes
- Work life balance and flexible training opportunities
- Research opportunities in Diabetes & Endocrinology
- Becoming a specialist in diabetes and endocrinology; practical steps

Who is it for?

All grades of **doctors** and **medical students** are welcome especially FY1, FY2 and core medical trainees.

How do I register?

Places are limited, so simply drop an email as soon as possible to rhodriking@doctors.org.uk

Is there a fee?

No. Welcome drinks and a buffet are included too

This event is supported by the Association of British Clinical Diabetologists, Diabetes UK and the Society for Endocrinology

We are grateful to our sponsors for the evening
